FBA5 SERIES ATO FUSE BLOCKS

Description

FBA5 Series ATO Fuse Blocks protect up to 5 circuits with combinations of ATO fuses rated up to 15A per fuse and supports up to 20A of continuous current. The removable clear cover helps protect the fuses from debris and accidental dislodgement while also allowing for easy visual identification of a blown fuse (especially when used with ATO Smart Glow fuses). Quick Connect terminals offer easy wiring and are positioned at either the side or the bottom of the box. Detachable side-mounting brackets included with bottom terminal version, optional for side terminal.

Applications

- Accessory Lighting
- Audio / Display Equipment
- Communications Equipment
