CE Declaration of Conformity

Manufacturer: Littelfuse, Inc.
8755 W. Higgins Road
Suite 500
Chicago, IL 60631
773-628-1000

Declares the referenced products are in conformance with European Directives:

2011/65/EU – Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS 2).

2014/35/EU – Electrical Equipment Designed for Use Within Certain Voltage Limits (Low Voltage Directive).

This compliance is demonstrated in accordance with the requirements specified by the manufacturer and the approval agencies as noted in the catalog.

The following standards were used to determine compliance:

EN 61643-11 – Low voltage surge protective devices-Part 11: Surge protective devices connected to low voltage power systems - Requirements and test methods. This is self declared compliance based on Littelfuse internal test plan. LSP Series are Type 2 and Type 3 compliant SPDs.

IEC 61643-11 – Low voltage surge protective devices-Part 11: Surge protective devices connected to low voltage power systems - Requirements and test methods. This is self declared compliance based on Littelfuse internal test plan. LSP Series are Class II and Class III compliant SPDs.

These products must be installed, maintained and used in the applications for which they were made in accordance with “professional practices”, relevant installation standards and instructions from Littelfuse. This declaration of conformity is issued under the sole responsibility of Littelfuse.

Reference / Catalog Number: LSP Surge Protector Modules
Series: LSP05, LSP05G, LSP10
